RETURN TO POMOLOGY SECTION OF NOMENCLATURE.

ANNOUNCEMENT.

We herewith beg to hand you our Catalog of Peach Trees for the Spring delivery of 1917. We wish also to state that we have the finest block of trees to offer than we have had in many years.

These trees are grown on land that has never been nurseried before and are strong vigorous trees which are sure to please you.

These Nurseries are located on the south side of the Easton Turnpike, and when traveling on the Turnpike can easily be seen.

We most cordially invite you to call and inspect our nurseries If you cannot call, write us, and state what you want and the same will have our immediate attention.

Very respectfully yours, C. A. CONOVER & SON.

C. A. Conover & Son NURSERYMEN Lebanon, New Jersey

Varieties for 1917

CARMINE

Early white peach very sweet, juicy and good bearers. Grows good anywhere. Little oblong Ripens about August 1st.

CHAMPION

Large white peach grows round with red cheek; heavy bearer, good seller and does good everyweere. Ripens about August 10th.

BELLE OF GEORGIA

Large white peach with red cheek and grows oblong; resembles Elberthas. Extra good grower, heavy bearer, excellent shipper and in fact one of the very best. Ripens about August 15th.

REEVE'S FAVORITE

Large yellow peach, grows round, does extra fine on any soil, good shipper and very sweet. One of the oldest and best varieties grown. Ripens about August 20th.

ELBERTHAS

The best large yellow peach grown A sure bearer and grows anywhere. Best shipper on the market and brings highest prices. A sure winner. Ripens about August 25th. We advise planting.

THE S. & A.

Something New! Large yellow peach very dry and mealy; making it an extra fine shipper as it will stand up for a long time. Grown from a seedling by Stigers & Apgar at Lebanon, N.J., and has already made one of the leading varieties. Ripens about Sept. 1st. TRY IT.

CHAIR'S CHOICE

Large yellow peach, grows round and very solid. Is known as one of the best for canning purposes. Ripens about Sept. 1st. This peach is very sweet

XX YELLOW

Large yellow peach grows long and does fine on up-land. A very good shipper. Ripens about Sept 5th.

STUMPS

White peach grows round and very sweet. Good size, heavy bearers and fine shipper. Grows good anywhere and brings big money in any market. Ripens about Sept 10th.

LATE CRAWFORD

One of those old varieties of large yellow peaches which grows rather long, a trifle tart, good shippers, excellent bearers and a fine seller in all markets. Trees are very hardy and ripens about Sept. 10th.

PRIDE OF FRANKLIN

Large round yellow peach. A good all-around peach for canning purposes and stands up well for shipping. Ripens about Sept. 10th.

MOUNTAIN RARERIPE

Large white peach, grows round, very sweet and mealy, red cheek, extra heavy bearers and hardy growers, good shipper and brings big money in any market Is one of the very best—We advise setting. Ripens about Sept. 10th.

FOX SEEDLING

Large white peach, very sweet and juicy; good shipper and brings big prices. One of the best late varieties grown Ripens about Sept. 20th.

BEER SMOCK

Large yellow peach well known to everyone. Needs no description. Ripens about Oct. 1st.

IRON MOUNTAIN

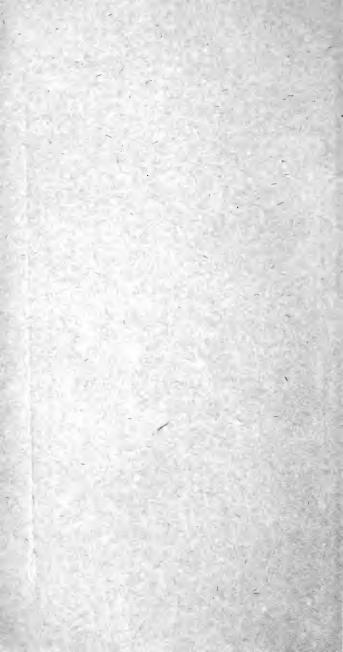

A large white peach well known to all growers as the best late peach grown and brings fancy prices A very hardy grower and bears young. Also a good shipper and stands up for several days after picking. Ripens from Sept. 25th to Oct. 1st.

OUR BUSINESS POLICY
Best Quality At a Fair Price.

PLEASE NOTE.

We have been in the business of growing and selling Peach Trees for over 33 years to the entire satisfaction of hundreds of satisfied customers.

Why not let us sell to you.?

Special Notice.

All trees listed in this catalogue are grown from Tennessee Natural Pits and are guaranteed true to name.

All stock is inspected by the State Entomologist and are free from scale etc.

We grow nothing but peach trees.

Write for prices and state what you want.

Our Nurseries are located on the main line of the New Jersey Central Railroad and in the Great Peach Belt of Hunterdon County.
